Spesial information for Equinor

Telephone Terminal office +47 55 14 26 45
Mobilephone (Duty) +47 97 59 02 75
Email florter@equinor.com

All vessels must send an e-mail with tank- and deck status, ETA and any special conditions (requirements for tank cleaning, diesel etc. at departure)

UHF radio communication: Separate frequencies for use during mooring operations. These are described in the mooring manual and UHF ship frequency plan.

More base-specific info may be obtained in connection with port calls or operations at the various bases. This may include, but is not limited to, the following:

- Routines for waterfilling and sampling
- UHF frequency overview of the base
- Limitations on carrying out hot work on the vessel
- More detailed contact information
- Limitation on carrying out vessel washdown
